

AROMAESSENCE SPRAYS: 2 oz Glass Bottle w/ mister

These Vortex Essential Sprays combine our essences and pure essential oils that are chosen for their specific qualities, fragrance and bouquet when added to the vibrational qualities of our essences. These sprays are light and work with the auric field even after the scent is gone to your nose. The pure water too, is activated with the aid of Nature to further enhance each spray's use.

Aloha – Inspire ~ Envision ~ Lifestyle

A spray combining the sweet smells of **Plumeria, and Pikake perfume oils , Bergamot** our Vortex flower and crystal essences embracing the spirit of Aloha where ever you are. Honoring of the soul and spirit of each life that enters your reality. Sweet and fresh Aloha frequencies will inspire a positive vision and lifestyle. When you require a gentle reminder that things can improve and new solutions are being sent to you right now!

Aura Bright – Clear ~ Uplift ~ Revitalize

Allow and know what energies and moods are yours or which you have collected during daily interactions. Keep the ones you like and clear the rest. Each spray of the bottle will assist in keeping one's energy centers (chakras) and aura clear, revitalized and energized. Create and live your daily life centered and balanced with the environment, events and people around you. We have combined our Vortex wildflower, garden and crystal essences with the essential oils of **ylang ylang, lavender and palmarosa** to revitalize your fields. Aura Bright is uplifting for body, mind, and spirit assisting in the stabilizing of new energies flowing through your auric fields.

Celebrate! – Smile ~ Laugh ~ Love

A burst of celebration! with every spray over your head, as you mist the room or even to lighten up your rush hour drive. Enhance any occasion with the burst of effervescent fun surprise, that makes you smile, snap alive and celebrate! We use the essential oils of **rose, tangerine, wintergreen** blended with a blend of essences that complement our nature Celebrate Blend. Each bottle filled with extra sparkle, light and happiness to bless your experiences.

Clear Your Space – Sacred ~ Honor ~ Evolve

Combining Vortex essences with the essential oils of **Neroli, Spruce, Ylang ylang, Melaleuca** to create a spray mister that may be used to purify, transmute and clear any location. Synergistically clearing old patterns with the assistance of the area nature spirits and then inviting new vitality and life force into the area of use.
