

NATURE BLENDS 1 oz Dosage Level

Angelic Insight – Open to sensing the Angelic Kingdom in all ways. From earth angels to archangels; and the very special union with your guardian angel – rejoice in their assistance and suggestions, in a clear and grounded way. Affirm direct insight and relationship to the angelic nature that lives within you. Some will hear, some will see, some will feel, some will know, some will journal, and some will remember multiple ways to share their connections with the angels. Energy follows thought – from believing to co-creation along this life’s journey, let your angel guides become acknowledged friends.

Body Beautiful – Allow your body intelligence to teach you self love. When you are ready to step out of the yo-yo diet trends and approach weight loss or perceiving your perfect body in alignment – body, mind and spirit. I AM My Body Beautiful, is your new decree, with new understanding your weight is not just what you eat, it is stored energy held onto by certain beliefs about oneself, others, and your surroundings. Body Beautiful has been formulated to transform stored energy and redirect it into alignment, creating your optimal shape, form, flexibility and self-expression. Let go and take the first step.

Breathe Ease– This blend was created to assist visits to high altitude places especially sacred mountain sites, where and when soul integration appears more accessible beyond the veil of the collective thought. Mountains that are home to ethric ascended master retreats, and physical ancient ruins, many within protected lands. Do you feel heavy and burdened with dense energies? Is it your cellular past awakening in this present moment? Be aware and balance emerging patterns that restrict the intake of oxygen and light. Breathe a full body breath with ease.

Celebrate! - A burst of celebration! in a bottle to enhance any event! Set the focus, tone, group synergy and vibrational support for a successful gathering. Made to create a delight to the senses and enthusiasm for new connections, joyful authentic expression. Use with aromaessence Celebrate! spray to fill a room with the vibrational magnet of enjoyment and celebration. Let nature give a burst of celebratory energy to bring smiles to all who attend.

Euphoria - This blend is for those looking to set a new vibrational tone and signature on all levels of their human being. Living connected with all of Life that surrounds us. Allow your core and center to pulse and feel the euphoria of living on earth. Claim your true and natural state of happiness, self-confidence and well-being in harmony and unity with the diverse forms of life on earth. Euphoria is about living in the awe and wonder of the beauty of Nature, of the forces of creation in the Cosmos, of the genius of every being, and the majesty of our world. Feeling elated in a comfortable, healthy balanced expression and being creatively at ease with your decisions and choices.

Feeling Safe – Feel Safe to be who you divinely are. Feel Safe in your body, connected to earth and your guidance system. Allow your body elemental to gently align to clear knowing and understanding of purpose during any sudden change in environment, lifestyle or circumstance.
